## Scholarships

Each year the credit union awards two \$1,000 college scholarships – one to a high school junior or senior and the other to a non-traditional student that has already earned a high school diploma or GED. The scholarship may be used to help cover college expenses at any accredited undergraduate, graduate, or vocational school. Scholarship requirements and application are available online at [www.ascentra.org](http://www.ascentra.org), or give us a call and we'll mail a packet to you. Packets are available in November and applications are due in February. Deadlines are specified each year in the packet.
