

# JUMPIN' GEORGE KIDS CLUB

PROGRAMS  
DESIGNED FOR

**Infant  
to age 7**

Teach your child the value of  
saving right from the start.

 **Ascentra**  
credit union

Teach your child the value of saving right from the start.

## Joining is Easy.

Leap into the Jumpin' George Kids Club and learn to save through rewards. Simply open a base share account for your child age infant to 7 years old and they're automatically enrolled and can participate in the Jumpin' George savings incentive program.

Jumpin' George rewards young savers with prizes as your child reaches each goal:

New Account: Receive a free piggy bank

First \$50 accumulated in savings: Incentive prize

\$100 accumulated in savings: A Jumpin' George frog

Each \$100 saved thereafter earns another prize.

Parents: You can help your child track their savings with their account passbook. Throughout the program, kids are encouraged to save money and taught the value of managing their finances. During their birthday month, members receive a birthday card and coupon for a free gift.

## Base Share Account

Depositing just \$5 establishes your child's membership in the credit union. Dividends (interest) are paid monthly on the average daily balance in the account.

## Investments

A Certificate of Deposit can be opened with just \$250. Choose from several terms (length of maturity) from 3 months to 5 years. Dividends are earned daily and posted monthly on certificates. The annual percentage yield (interest earned) is based on the term of the certificate. There are penalties for early withdrawal.

*Listening, caring, doing what's right.*
