

Gift Demonstrates Compassion (07/09)

Dear Ms. Joanne Boozer, Thank you for your gift of a copier to the Youth Programs of Friendly House. Your gift truly demonstrates compassion in action.

There is not a moment that goes by that we are not encouraged by the care for Friendly House and the work we do. It might be the timing of a gift that is incredibly just what we need at that time. It might be the type of gift that will make a difference for our programs or services. In all cases it is the thoughtfulness of the gift, whether it be small or large.

We are honored to care for others with your help.

Sincerely, Friendly House
