KICKIN' KIDSAVER CLUB

Smart saving habits start here.

Joining is Easy.

It is easy to join. Simply open a base share account and the member between the ages of 8-14 is automatically enrolled in the club. As a club member they can participate in the Kickin' KidSaver savings incentive program. The savings program helps teach the value of savings and provides rewards for reaching these set savings goals:

\$100	\$250
\$500	\$750

Each \$500 increment saved thereafter receives a gift from the Kickin' KidSaver Collection.

Base Share Savings Account

Depositing just \$5 establishes your child's membership in the credit union and the club. Dividends (interest) are paid monthly based on the average daily balance in the account.

Investments Also Available

A Certificate of Deposit can be opened with just \$250. Choose from several terms (length of maturity) from 3 months to 5 years. Dividends are earned daily and posted monthly on certificates. The annual percentage yield (interest earned) is based on the term of the certificate. There are penalties for early withdrawal.
