Have you checked your credit card interest rates lately? Some cards are over 21% APR! Save money and consolidate those balances at our low balance transfer rate for 6 months. Enjoy payment convenience and savings with a competitive interest rate most financials won't match.

Don't let your savings get lost in the annual fee shuffle. Your Ascentra Credit Union VISA provides valuable benefits with no annual fee. You could save up to \$40 in annual fees over other cards, no matter what balance you carry. Give us a call today to consolidate your higher rate card balances and start saving instantly!

Your new VISA Platinum offers outstanding features including:

- **A Lower Minimum Payment** – pay just 2% of your balance each month – not the 5% many other cards charge.
- **25-day Grace Period for Purchases** – Take up to 25 days to repay your balance before incurring a finance charge, providing balance is paid in full. Other “low-rate” cards may charge interest immediately after your purchase – charges that add up quickly.
- **No Transaction Fee** – Get cash whenever you need it. Unlike some other card issuers, your credit union VISA doesn't charge extra fees for cash advances. There is never an extra fee for making purchases with your card.
- **Fraud Detection** – Your credit card transactions are monitored for potentially fraudulent transactions. If any unusual activity is detected, you may receive a telephone call regarding your account.
- **Worldwide Credit Acceptance** – Carry your VISA credit card wherever you travel. VISA is accepted at more than 11 million locations around the world.
- **Instant Cash Advances** – Use your card to get quick cash at more than 65,000 ATMs and banking outlets around the world – with no transaction fee!
- **Low 2.99% APR Balance Transfer Rate** – Transfer outstanding credit card balances from other financial institutions and you receive a special balance transfer rate for six months.
- **Warranty Manager Service** – Warranty registration and extended warranty protection are available with a simple toll-free telephone call. You may also purchase extended service agreements for protection beyond your VISA coverage.
- **Greater Travel Protection** – Get \$500,000 in travel accident insurance when you charge your airline or other common carrier travel tickets to your VISA card.
- **Auto Rental Insurance** – Most rental vehicles are covered up to their actual cash value if they are damaged due to collision or theft – at no additional cost.
- **Pre-Trip Assistance** – Get information on your destination before you leave, such as ATM locations, currency exchange rates and weather reports.
