The rates listed are standard rates and are subject to change without notice according to market conditions. Rates based on terms and approved credit.

All fixed loan rates listed above are based on credit score and automatic payment.

*APR = Annual Percentage Rate. Rate based on approved credit. Current rate as low as 5.25% APR for 60 months on 2023 or newer vehicle, includes automatic payment rate discount. Rate subject to change. Limited time offer. The first payment will be applied to the interest accrued from the date the loan was funded and then remaining funds to the principal. Example payment: \$25,000 auto loan with the term of 60 months and a fixed rate of 5.25% APR would result in a monthly payment of \$474.75.
